## The perfect setting

Weddings 2024 - 2025

# Welcome to Fulham Palace

Fulham Palace spans over 1,300 years of history, being the home of around 133 Bishops of London. The striking historic rooms and Tudor courtyard are the perfect backdrop for a wedding celebration, whether you were looking at intimate gatherings or larger parties. The beautiful gardens surrounding the grounds are perfect for you to capture your wedding photos.

Your venue hire contributes to the Fulham Palace Trust's numerous ways of fundraising for the maintenance of the house and garden. This means your event will help with the preservation of the Grade I listed building and the conservation of the flora surrounding the house. A great reason if you needed another to hold your wedding at such a beautiful venue like Fulham Palace!

We enjoy nothing more than showing off the Palace in person. Please do let us know when you would like to come through for a show around and we can make the arrangements. We would love to meet you and begin planning this wonderful day with you!
